Hi Jackie – Attached is an Area 40 fact sheet that can be shared with Christine. As far as the outreach plan, we need to discuss a bit further. AR's thoughts are:

- Conduct field work kick off town hall meeting to describe the activities and schedule for Area 40
- AR to provide monthly field work updates to the City of Folsom to post on its Area 40 webpage
- AR to provide content for bi-monthly newsletter

Let me know your thoughts. Chris

Dear Folks:

I talked to Christine Brainerd, APR Communication Manager for the city this morning. I briefly explained to her about the Aerojet 40 cleanup plan, the upcoming workshop and our interests in getting the word out to the citizens of Folsom. She gave me the following city outreach methods and said she is the contact person.

I also told her that Chris would be in touch with her as our outreach plan unfolds. She would like an email sent to her with a summary of the Aerojet 40 cleanup and the outreach plan. She needs this information to brief folks up her chain.

Chris, can you develop an email that we can review and you send to her?

Thanks, Jackie
